

actuarial science pdf

The following outline is provided as an overview of and topical guide to actuarial science: . Actuarial science is a discipline that applies mathematical and statistical methods to assess risk in the insurance and finance industries.

Outline of actuarial science - Wikipedia

An actuary is a business professional who deals with the measurement and management of risk and uncertainty (BeAnActuary 2011a). The name of the corresponding field is actuarial science. These risks can affect both sides of the balance sheet and require asset management, liability management, and valuation skills (BeAnActuary 2011b). Actuaries provide assessments of financial security systems ...
