JCECE Previous Year Question Paper | PDF " Engineering

Why a Scientific Format? The scientific format may seem confusing for the beginning science writer due to its rigid structure which is so different from writing in the humanities. One reason for using this format is that it is a means of efficiently communicating scientific findings to the broad community of scientists in a uniform manner.

A document-based question (DBQ), also known as data-based question, is an essay or series of short-answer questions that is constructed by students using one's own knowledge combined with support from several provided sources. Usually it is employed on timed history tests.. In the United States. The document based question was first used for the 1973 AP United States History Exam published by ...
