Key Passage...The theme that weaves its way through this Discourse on Winning and Losing is not so much contained within each of the seven sections*, per se, that make up the Discourse; rather, it is the kind of thinking that both lies behind and makes up its very essence. For the interested, a careful

National accounts or national account systems (NAS) are the implementation of complete and consistent accounting techniques for measuring the economic activity of a nation. These include detailed underlying measures that rely on double-entry accounting. By design, such accounting makes the totals on both sides of an account equal even though they each measure different characteristics, for ...

In this section, we develop a novel conceptual framework for analysing the co-evolution of policy mixes and socio-technical systems in processes of sustainability transitions (). More precisely, as transitions unfold through co-evolutionary dynamics of system components, our framework focusses on the co-evolution of the policy mix, as part of the institutional structure of the system, with the ...
