The modal verbs of English are a small class of auxiliary verbs used mostly to express modality (properties such as possibility, obligation, etc.). They can be distinguished from other verbs by their defectiveness (they do not have participle or infinitive forms) and by the fact that they do not take the ending -(e)s in the third-person singular.. The principal English modal verbs are can ...

Development. Most English irregular verbs are native, derived from verbs that existed in Old English.Nearly all verbs that have been borrowed into the language at a later stage have defaulted to the regular conjugation. There are a few exceptions, however, such as the verb catch (derived from Old Northern French cachier), whose irregular forms originated by way of analogy with native verbs ...
