KidsMatter was developed by mental health professionals and education and childcare staff in response to the high rates of school-age children with mental health difficulties and the problems they face getting help. It is a partnership between education and health sectors and is funded by the Australian Government and beyondblue.

Gameplay. Robotics;Notes is a science fiction visual novel in which the player follows the perspective of multiple characters, mainly Kaito Yashio. Its gameplay requires little player interaction as much of the game's duration is spent on reading the text that appears on the screen, which represents the story's narrative and dialogue. The text is accompanied by 3D animated character models ...

On January 1st, 2018, I made predictions (here) about self driving cars, Artificial Intelligence and machine learning, and about progress in the space industry. Those predictions had dates attached to them for 32 years up through January 1st, 2050. So, today, January 1st, 2019, is my first annual self appraisal of how well I did.
