

history of civilizations of pdf

Learn what "big history" is and how scholars apply this approach to the story of humanity. Gain new understanding of the complete sweep of human history, across all civilizations and around the world.

The Big History of Civilizations - English

The history of Mesopotamia ranges from the earliest human occupation in the Lower Sumaya period up to the Late antiquity. This history is pieced together from evidence retrieved from archaeological excavations and, after the introduction of writing in the late 4th millennium BC, an increasing amount of historical sources.
