Religion in Ancient Rome includes the ancestral ethnic religion of the city of Rome that the Romans used to define themselves as a people, as well as the religious practices of peoples brought under Roman rule, in so far as they became widely followed in Rome and Italy. The Romans thought of themselves as highly religious, and attributed their success as a world power to their collective piety ...

The television is a killer slaying souls across the face of the earth. America has been tempted and paralyzed with charms and sins. Television is a chief cauldron of temptation putting bad ideas in people's minds. America's willing disobedience and sins have brought her--and her false refuse-to-obey-the-Bible-church--curses without number.
