Background: Many Nigerians have misconceptions and misbeliefs about mental illness, hence stigmatize people with mental illness. This scoping review on the knowledge of and attitude towards mental illness among Nigerians aims to identify the extent of literature on the issue, summarize current reports and identify research gaps in hopes to proffer workable solutions to this problem.

Ensuring Successful Student Transitions from the Middle Grades to High School By: Kathy Christie and Kyle Zinth. The 9th grade year is critical to students' success in high school – the influence of a broader number of peers (both positive and negative); the potential of developing bad habits such as skipping class; and entry into a larger, sometimes seemingly less caring, environment can ...

Progressivism is the support for or advocacy of improvement of society by reform. As a philosophy, it is

based on the idea of progress, which asserts that advancements in science, technology, economic development and social organization are vital to the improvement of the human condition.. The meanings of progressivism have varied over time and from different perspectives.

Microfinance initially had a limited definition - the provision of microloans to poor entrepreneurs and small businesses lacking access to bank and related services. The two main mechanisms for the delivery of financial services to such clients were: (1) relationship-based banking for individual entrepreneurs and small businesses; and (2) group-based models, where several entrepreneurs come ...
