losing the plot architecture pdf

A plot device is a means of advancing the plot in a story. It is often used to motivate characters, create urgency, or resolve a difficulty. This can be contrasted with moving a story forward with dramatic technique; that is, by making things happen because characters take action for well-developed reasons.

The Fountainhead is a 1943 novel by Russian-American author Ayn Rand, her first major literary success. The novel's protagonist, Howard Roark, is an individualistic young architect who designs modernist buildings and refuses to compromise with an architectural establishment unwilling to accept innovation. Roark embodies what Rand believed to be the ideal man, and his struggle reflects Rand's ...
