Agape (Ancient Greek ἀγάπη, agapē) is a Greco-Christian term referring to love, "the highest form of love, charity" and "the love of God for man and of man for God". The word is not to be confused with philia, brotherly love, as it embraces a universal, unconditional love that transcends and persists regardless of circumstance. The noun form first occurs in the Septuagint, but the verb ...

Existence is the ability to, directly or indirectly, interact with reality or, in more specific cases, the universe. The exact definition of existence is one of the most important and fundamental topics of ontology, the philosophical study of the nature of being, existence, or reality in general, as well as of the basic categories of being and their relations.
