

### **making cities work the pdf**

Cities are places where opportunities for prosperity coexist with stark inequalities between the richest and the poorest. Cities produce and attract highly educated workers and innovative employers. It is usually easier in cities than in other parts of the country for individuals to climb up the income, education or jobs ladder. But cities, especially the largest ones, also concentrate ...

Participatory budgeting (PB) is a process of democratic deliberation and decision-making, in which ordinary people decide how to allocate part of a municipal or public budget. Participatory budgeting allows citizens to identify, discuss, and prioritize public spending projects, and gives them the power to make real decisions about how money is spent.. PB processes are typically designed to ...
