making masks how to pdf

A mask is an object normally worn on the face, typically for protection, disguise, performance, or entertainment. Masks have been used since antiquity for both ceremonial and practical purposes. They are usually worn on the face, although they may also be positioned for effect elsewhere on the wearer's body.

Traditional African masks are one of the elements of great African art that have most evidently influenced Europe and Western art in general; in the 20th century, artistic movements such as cubism, fauvism and expressionism have often taken inspiration from vast and diverse heritage of African masks. Influences of this heritage can also be found in other traditions such as South-and Central ...
