

### **marrriages families changes choices pdf**

Arranged marriage is a type of marital union where the bride and groom are selected by individuals other than the couple themselves, particularly by family members, such as the parents. Depending on culture, a professional matchmaker may be used. Arranged marriages have historically been prominent in many cultures. The practice remains common in many regions, notably South Asia, though in ...

### **Arranged marriage - Wikipedia**

Marriage, also called matrimony or wedlock, is a socially or ritually recognised union between spouses that establishes rights and obligations between those spouses, as well as between them and any resulting biological or adopted children and affinity (in-laws and other family through marriage). The definition of marriage varies around the world not only between cultures and between religions ...
