

mass media politics and pdf

The mass media is a diversified collection of media technologies that reach a large audience via mass communication. The technologies through which this communication takes place include a variety of outlets. Broadcast media transmit information electronically, via such media as film, radio, recorded music, or television. Digital media comprises both Internet and mobile mass communication.

Mass media - Wikipedia

In media studies, media psychology, communication theory and sociology, media influence and media effects are topics relating to mass media and media culture effects on individual or audience thought, attitudes and behavior. The influence of mass media has an effect on many aspects of the human life. This can include: voting a certain way, individual views and beliefs, or even false ...
