

mediation and liberal peacebuilding pdf

Peacebuilding is an intervention technique or method that is designed to prevent the start or resumption of violent conflict by creating a sustainable peace. Peacebuilding activities address the root causes or potential causes of violence, create a societal expectation for peaceful conflict resolution, and stabilize society politically and socioeconomically.

Many views are held or have been expressed by religious organisations in relation to same-sex marriage. Arguments both in favor of and in opposition to same-sex marriage (or equal marriage rights) are often made on religious grounds and/or formulated in terms of religious doctrine. Although the majority of world religions oppose to same-sex marriage, the number of religious denominations that ...
