Self-advocacy refers to the civil rights movement for people with developmental disabilities, also called cognitive or intellectual disabilities, and other disabilities. It is also an important term in the disability rights movement, referring to people with disabilities taking control of their own lives, including being in charge of their own care in the medical system.

Challenges to Accept. I. INTRODUCTION: A. We are either going forward, standing still or falling behind â€” 1. That saying is true for churches. 2. It is very easy to become complacent and comfortable (the prelude to standing still). 3. Once we stand still, everyone passes us by and we begin to fall behind.

moving_forward - expositorysermonoutlines.com

These disparities are growing despite the fact that over the past two decades, closing the test-score gaps between affluent and poor children has been a central aim of national education policy, as embodied in President George W. Bush's No Child Left Behind law and President Barack Obama's Race to the Top program.

Helping Children Succeed â€” What Works and Why
