Mahogany is a commercially important lumber prized for its beauty, durability, and color, and used for paneling and to make furniture, boats, musical instruments and other items. The leading importer of mahogany is the United States, followed by Britain; while the largest exporter today is Peru, which surpassed Brazil after that country banned mahogany exports in 2001.

The history of the Philippines is believed to have begun with the arrival of the first humans using rafts or boats at least 67,000 years ago as the 2007 discovery of Callao Man suggested. Negrito groups first inhabited the isles. Groups of Austronesians later migrated to the islands.. Scholars generally believe that these social groups eventually developed into various settlements or polities ...
