“Porting to Python 3: An in-depth guide” is available online for free. This book guides you through the process of porting your Python 2 code to Python 3, from choosing a porting strategy to solving your distribution issues.

Free Python Books - Part 2 : PDF Download

The Definitive Guide to Python import Statements I’ve almost never been able to write correct Python import statements on the first go. Behavior is inconsistent between Python 2.7 and Python 3.6 (the two versions that I test here), and there is no single method for guaranteeing that imports will always work.
