The Abrahamic religions, also referred to collectively as Abrahamism, are a group of Semitic-originated religious communities of faith that claim descent from the Judaism of the ancient Israelites and the worship of the God of Abraham. The Abrahamic religions are monotheistic. The term derives from patriarch Abraham, a major biblical figure from The Old Testament, which is recognized by ...

Growth of religion is the spread of religions and the increase of religious adherents around the world. The statistics are commonly measured by the absolute number of adherents, the percentage of the absolute growth per year, and the growth of the number of converts in the world. Projections of future religious adherence are based on assumptions that trends, total fertility rates, life ...
