Fictionary, also known as The Dictionary Game or simply Dictionary, is a word game in which players guess the definition of an obscure word. Each round consists of one player selecting and announcing a word from the dictionary, and other players composing a fake definition for it. The definitions are collected by the selector and read aloud, and players vote on which definition they believe to ...

With obscure terms like emphyteusis and jactitation, the language of the civil law can sometimes confuse students and even seasoned practitioners. But the Louisiana Civil Law Dictionary can help. It defines every word and phrase contained in the index to the Louisiana Civil Code, plus many more "in clear and concise language" and provides current citations to the relevant statutes, code ...

A Googlehack is a contest for finding a Google search query consisting of exactly two words without quotation marks that returns exactly one hit. A Googlehack must consist of two actual words found in a dictionary. An example of this would be "hypergargalesthesia ridiculousness" (at the time of Dec. 6, 2018).
