T-630 with John Deere Electronic Engines

So whoever had the car before me really bugged up the wiring. Looks that all the harnesses are there but so many aren't plugged into anything and they decided to modify some and run their own wiring.

85 Monte Carlo-Wiring Diagram - GBodyForum - '78-'88

A circuit diagram (electrical diagram, elementary diagram, electronic schematic) is a graphical representation of an electrical circuit. A pictorial circuit diagram uses simple images of components, while a schematic diagram shows the components and interconnections of the circuit using standardized symbolic representations. The presentation of the interconnections between circuit components in ...
